

Sooner or Later

Fastball

Oh yeah I'm gonna get under your skin
Sooner or later
I'll find the key that lets me in
Sooner or later Yeah, 'cause you just can't keep me down
Yeah, 'cause you just can't keep me down I'm gonna take my time, all right
Sooner or later
You gonna let me treat you right
Sooner or later Yeah, 'cause you just can't keep me down
Oh, if you'd only give me time Is really all that I need
To push it through
To make you see
I'll make you see I'm gonna take my time all right
Sooner or later
You gonna let me treat you right
Sooner or later Yeah, 'cause you can't keep me down
Oh, if you'd only give me time 'Cause time is really all that I need
To push it through
To make you see
I'll make you see Soon, sooner or later
Soon, sooner or later
Soon, sooner or later
Soon, sooner or later
Soon, sooner or later
Baby
