

Double Nature

Mustasch

Born a believer, I walk alone
Can't find a place where I feel home
Well, I am crazy, but I am sane
I am guilty, but not to blame

This is my nature - who I am
If you don't like it, here I stand

(Chorus)

I wanna keep it though I eat it
Shove it in my mouth, I can't control my evil eye
I wanna keep it though I eat it
Have a bigger bite (?)
I love you, baby, though I hate you
'Cause I'm a double nature

Now a heretic I have become
I lost my faith in God and man
I am a demon, free from sin
But there's no angel who lets me in

My waves are rolling, they're rolling fast
Straight out of hell, away from my past

Chorus

Yeah

But here's a warning, some final words
Turn it down or you'll burn, burn, burn, burn
I am awake and I never sleep
My eyes are bleeding, I'm a freak

I show no patience, don't mean no harm
I'm just a guy with a burning heart

Chorus
