

# Ready 2 Go

Martin Solveig

I turn it on, I set the tone  
And I know, I'm ready to go  
I saw you waking up against the wall  
and I knew, you were ready to go  
Tonight I'm a different guy  
Forget about the things you know  
If you want to do it, we can do it right  
I can see you coming whole  
Cause I'm ready to go  
Is that a yes or no?  
Cause I'm ready to go  
I'm ready to go, If you say so  
Cause I'm ready to go  
I'm ready to go, If you say so  
Cause I'm ready to go  
I'm ready to go, If you say so  
Cause I'm ready to go  
I'm ready to go, If you say so  
Tell me something, we're out of time  
Show me, this is it, don't change your mind

I turn it on, I set the tone  
And I know, I'm ready to go  
Tonight I'm a different guy  
Forget about the things you know  
If you want to do it, we can do it right  
I can see you coming whole  
Cause you were ready to go  
Is that a yes or no?  
Cause you were ready to go  
Is that a yes or no?  
Cause I'm ready to go  
I'm ready to go  
Cause I'm ready to go  
I'm ready to go, If you say so  
Cause I'm ready to go  
I'm ready to go, If you say so  
Cause I'm ready to go  
I'm ready to go, If you say so

Cause I'm ready to go  
I'm ready to go
