## N.W.A.

It's as simple as something that nobody knows  
That her eyes are as big as her bubbly toes  
On the feet of a queen of the hearts of the cards  
And her feet are all covered with tar balls and scars  
It's as common as something that nobody knows  
That her beauty will follow wherever she goes  
Up the hill in the back of her house  
In the world she love me forever,  
I know she could I remember when you and me mmm how we used to be just good friends  
Wouldn't give me none  
But all I wanted was some  
She's got a whole lot of reasons  
She can't think of a single one  
That can justify leaving  
And he got none but he thinks he got so many problems  
Man he got, too much time to waste His dreams are like commercials  
But her dreams are picture perfect and  
Our dreams are so related though they're often underestimated It's as simple as something that nobody knows  
that  
Her eyes are as big as her bubbly toes  
On the feet of the queen of the hearts of the cards  
And her feet are infested with tar balls and La da da da da Well I was eating lunch at the D. L. G.  
When this little girl came and she sat next to me  
I never seen nobody move the way she did  
Well she did and she does and she'll do it again When you move like a jellyfish  
Rhythm don't mean nothing  
You go with the flow  
You don't stop  
Move like a jellyfish  
Rhythm is nothing  
You go with the flow  
You don't stop It's as common as something that nobody knows it  
Her beauty will follow wherever she goes  
Up the hill in the back of her house in the wood  
She'll love me forever, I know she La da da da da If you would only listen  
You might just realize what you're missing  
You're missing me  
If you would only listen  
You might just realize what you're missing

You're missing me It's as simple as something that nobody knows that

Her eyes are as big as her bubbly toes

On the feet of the queen of the hearts of the cards

And her feet are infested with tar balls and La da da da da da
