Where I Belong

Building 429

Sometimes it feels like I'm watching from the outside
Sometimes it feels like I'm breathing, but am I alive
I won't keep searching for answers, that aren't here to find
All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong
So when the walls come falling down on me
and I'm lost in the current of a raging sea
I have this blessed assurance holding me
All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong

When the earth shakes
I want to be found in You
When the lines fade
I want to be found in You
All I know is that I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong
All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong
Where I belong
Where I belong
Where I belong
