

# Where I Belong

## Building 429

Sometimes it feels like I'm watching from the outside  
Sometimes it feels like I'm breathing, but am I alive  
I won't keep searching for answers, that aren't here to find

    All I know is I'm not home yet  
    This is not where I belong  
    Take this world and give me Jesus  
    This is not where I belong  
    So when the walls come falling down on me  
    and I'm lost in the current of a raging sea  
    I have this blessed assurance holding me  
    All I know is I'm not home yet  
    This is not where I belong  
    Take this world and give me Jesus  
    This is not where I belong

    When the earth shakes  
    I want to be found in You  
    When the lines fade  
    I want to be found in You  
    All I know is that I'm not home yet  
    This is not where I belong  
    Take this world and give me Jesus  
    This is not where I belong  
    All I know is I'm not home yet  
    This is not where I belong  
    Take this world and give me Jesus  
    This is not where I belong  
    Where I belong  
    Where I belong  
    Where I belong
