

Slave to Your Love

The Heavy

Pay no mind, what you looking for?
I'm a breath away from the killing floor
Throw me over like easy meat
Pick me off the floor and I'll be off my faith
Pick me off the floor and I'll be off my faith I'm a slave to your love
I'm a slave to your love
I'm a slave to your love
I'm a slave to your love
Won't you release me off these chains? Take no heat of what you might've heard
Never gonna run or disappoint in third
Hit it slowly, kill it quick
You can walk away but the rhythm sticks
Never walk away when the rhythm's sick I'm a slave to your love
I'm a slave to your love
I'm a slave to your love
I'm a slave to your love
Won't you release me off these chains?
Won't you release me off these
Someone release me off these chains Lord have mercy, what can I do?
I'll always be your prisoner a captive to you
You'll always be my ecstasy
My pleasure and my pain
You'll always be that flash of light
That's burned upon my brain Won't you release me off these?
Won't you release me off these?
Someone release this Slave to your love ([?])
I'm a slave to your love ([?])
I'm a slave to your love ([?])
I'm a slave to your love
Don't you release me from these
Hey woman, release me from these
Someone [?] these chains
