

# Born in the Ghetto

## BoomDaBash

Sometimes i feel worry cause i miss all the good friends  
that i've lost

nu pozzu restare a quai

sometimes i try hard to get away from the place where i  
was born

i was born in the ghetto

nu pozzu scire a nuddra parte senza n anima

cu me scerru puru de ci " statu sempre fratima

minu li vestiti ntra la machina

fazzu tuttu a sulu e nunc " n anima

me n abbau de casa cu na lacrima

e cu na possibilit " puru ca " l'unica

contru na societ " ca no mi capisce e me giudica

c' " ne sape nu vagnone ca ole face musica

te na societ " ca no ti capisce e te giudica

e sulu ci se fannu sordi tieni n'ambizione

lu lecchinaggiu cunta chiui de na passione

alla creativit " nu dai considerazione

apposta li cristiani cangianu nazione

RIT.

well it's a badman place

but a poor man place

what a mad place

they say they won't stay

and still they question what do i stand for

what do you think is about to change now?

it's the place where morning sun is the only good thing that we got

where all the people keep on dancing to the sound of a reggae song

cause life ain't easy

just believe me

it's an hard hard living

you gotta be fearless

RIT

cuntanu de chiui li vincitori o li peridenti

cuntanu de chiui li servi o li potenti

dimme quantu cunta na cosa rubata

dimme quantu cunta na cosa fatiata
