Gotta Keep Movin by Tommy Vixon

Verse:

Gotta keep movin  
Gotta keep movin on  
Gotta keep movin, just to be strong  
Gotta keep movin, or we gonna die  
You've Gotta keep movin, just to survive.

Bridge:

Don't forget to enjoy your time  
Don't forget to enjoy your day  
Cause when all you've got left is nothin  
You can stand proud and say  
Verse 2:  
that ya Gotta keep movin  
Gotta keep movin on  
Gotta keep movin, just to be strong  
Ya Gotta keep movin, or your gonna die  
You've Gotta keep movin, just to survive.

Yeah yeah yeah  
yeah yeah yeah yeah  
yeah yeah yeah eeyeah

You rock on and you rock away  
You rock on to better days  
You rock on, your so far away  
You rock on and your out of place.  
and you try... to escape...  
but your to late  
and you try... to escape...  
but your to late

Gotta keep movin  
Gotta keep movin on  
Gotta keep movin, just to be strong  
Gotta keep movin, or your gonna die  
You've Gotta keep movin, just to survive.

Don't forget to enjoy your time

Don't forget to enjoy your day  
Cause when all you've got left is nothin  
You can stand proud and say

That ya Gotta keep movin  
Gotta keep movin on  
Gotta keep movin, just to be strong  
Gotta keep movin, or your gonna die  
Ya Gotta keep movin, just to survive.
