

Full of Doubt

Miggs

I've been wandering picking up the scraps
I've been wondering who has got my back
With all these friends around the weather must be fair
Before the worm had turned I couldn't find them anywhere Well, well, how can you stand there calmly
When all I want to do is shout
How can your head think clearly, hmm?
With a heart so full of doubt I've been stuttering, trying to find the words
Too much mumbling afraid of being heard
It's a pretty mess we throw ourselves into
When it's do as I say not as I do Well, well, how can you stand there calmly
When all I want to do is shout
How can your head think clearly, hmm?
With a heart so full of doubt I've been beaten down, I have fallen out
I've done the rounds, I've heard the count
But I keep getting up again and again
I keep getting up again and again and again Well, how can you stand there calmly
When all I want to do is shout
How can your head think clearly, hmm?
With a heart so full of doubt
