

Bummer Time

Be Your Own Pet

Bummer Time! Bummer Time! Its Bummer Time! Woah! (x4)I think about you all week long

my mind constantly singing your theme song

and did you know I looked up to you

I want to be just like youNoone knows how it was for me

Noone know what you meant to me

Everyone talks about it like they were there

All this nostalgia but nobody cares

Everyone talks about it like they were there

All this nostalgia but nobody caresI woke up early just for you

I'd wait all week long for you too

And there you were on my t.v.

I thought you were there just for meBummer Time! Bummer Time! Its Bummer Time! Woah! (x4)Every time

you came I played along

I didn't know that you'd do me, god

And now your back what can I say

I can't even look at you the same wayNoone knows how it was for me

Noone know what you meant to me

Everyone talks about it like they were there

All this nostalgia but nobody cares

Everyone talks about it like they were there

All this nostalgia but nobody caresI woke up early just for you

I'd wait all week long for you too

And there you were on my t.v.

I thought you were there just for meBummer Time!
