

Everybody's Changing (Keanne Cover)

[Lily Allen](#)

You say you wander your own land
But when I think about it I don't see how you can
You're aching, you're breaking and I can see the pain in your eyes
Says everybody's changing and I don't know why So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same You're gone from here
Soon you will disappear
Fading into beautiful light
'Cause everybody's changing and I don't feel right So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same Oh, everybody's changing and I don't feel the same
