Lay Me Down

Sam Smith

Yes I do, I believe
That one day I will be, where I was
Right there, right next to you
And it's hard, the days just seem so dark
The moon, the stars, are nothing without you
Your touch, your skin, where do I begin?
No words can explain, the way I'm missing you
The night, this emptiness, this hole that I'm inside

These tears, they tell their own story You told me not to cry when you were gone
But the feeling's overwhelming, it's much too strong Can I lay by your side, next to you, you
And make sure you're alright

I'll take care of you,

And I don't want to be here if I can't be with you tonightI'm reaching out to you Can you hear my call? (Who's to say you won't hear me?)

This hurt that I've been through

I'm missing you, missing you like crazyYou told me not to cry when you were gone
But the feeling's overwhelming, it's much too strongCan I lay by your side, next to you, you
And make sure you're alright

I'll take care of you

And I don't wanna be here if I can't be with you tonightLay me down tonight, lay me by your side

Lay me down tonight, lay me by your side

Can I lay by your side, next to you, you-ou

And make sure you're alright

I'll take care of you

And I don't wanna be here if I can't be with you tonight
