

Pictures of a City

King Crimson

Concrete cold face cased in steel
Stark, sharp, glass eyed, crack and peel
Bright, light, scream, beam, brake and squeal
Red, whites, green, whites, neon, wheel
Dream, flesh, love, chase, perfumed skin
Greased hand, teeth, hide, tinselled sin
Spice, ice, dance, chance, sickly grin
Pasteboard, time, slot, sweat and spin
Blind stick, blind drunk, cannot see
Mouth dry, tongue tied, cannot speak
Concrete, dream, flesh, broken shell
Lost soul, lost trace, lost in hell
