

# Cold, Cold Heart

George Jones

I tried so hard, my dear, to show  
that you're my every dream.  
Yet you're afraid each thing I do  
is just some evil scheme.  
A memory from your lonesome past  
keeps us so far apart. Why can't I free your doubtful mind  
and melt your cold, cold heart? Another love before my time  
made your heart sad and blue.  
And now my heart is paying for  
the things I didn't do.  
In anger, unkind words are said  
that make the teardrops start. Why can't I free your doubtful mind  
and melt your cold, cold heart? You'll never know how much it hurts  
to see you sit and cry.  
You know you need and want my love  
and yet you're afraid to try.  
Why do you run and hide and run from life  
to try just ain't smart. Why can't I free your doubtful mind  
and melt your cold, cold heart?  
  
There was a time when I believed  
that you belong to me.  
But now I know your heart  
is shackled to a memory.  
The more I learn to care for you,  
the more we drift apart. Why can't I free your doubtful mind  
and melt your cold, cold heart?
