Everything Is an End

Norther

Closed around
The deepening shades of death
And life
With all its glory fades away
No glory there has ever been in
Life obscureLife deceiving
Death revealingLike trapped in a cage,
We're bound to death
Slaves to our bodies,
From cradle to the grave
Abandoned,
In the arms of a plague
All efforts in vain,
Life is pain
Reaching the truth,
Death is the proof
Reveals the truthEverything is an end
Everything is an end
Love lost
Life fading away
Suffer in truthUnder the gun
Love and life
Lost,
Shiver in darkness surrounding
No love there has ever been,
Here, in the nest of diseaseLife deceiving
Death revealingLike trapped in a cage,
We're bound to death
Slaves to our bodies,
From cradle to the grave
Abandoned,
In the arms of a plague
All efforts in vein,
Life is pain
Reaching the truth,
Death is the proof
Reveals the truthEverything is an end
Everything is an end
Love lost

Life fading away
Suffer in truthLife is a death trip
