5000 Miles

Johnny Gill

Girl your love is like the ocean
It doesn't seem to end.
Can we just keep floating 'cause its' too far to swim.
No rescue or a boat insight
You know its' alright
'Cause when I'm with you
I'll drown in it all night.Girl your kisses so addictive
and its' always on my mind
Can't resist it for a minute
'Cause it gets me everytime.When you wake up with no make~up
that's true beauty in my eyes.
no matter how I try; I lose it when you smile.You take me 5000 miles past heaven
and by the way;
I gotta' say I love you too.
I gotta' say I love you too.
You take me 5000 miles past heavenEverytime
Everytime I look at you.
Everytime I look at you.Baby don't you keep me waiting
Your touch is all I want
'Cause I don't have much patience
when it comes to making love.
No need to complicate this
there's nothing more to say
'Cause when you're not here
I'm missing you all day.Girl your kisses so addictive
and its' always on my mind
Can't resist it for a minute
'Cause it gets me everytime.When you wake up with no make~up
that's true beauty in my eyes.
no matter how I try;I lose it when you smile.You take me 5000 miles past heaven
and by the way;
I gotta' say I love you too.
I gotta' say I love you too.
You take me 5000 miles past heaven.You take me 5000 miles past heaven
and by the way;
I gotta' say I love you too.
I gotta' say I love you too.
You take me 5000 miles past heaven.Hey God only knows
Knows

How far I'll go
GoI swear its' like falling from the sky.
If looks could kill;
then I would surely die.You take me 5000 miles past heaven
and by the way;
I gotta' say I love you too.
I gotta' say I love you too.
You take me 5000 miles past heaven.Everytime
Everytime I look at you.
Everytime
Everytime I look at you.
