

I Can Walk in Your Mind

The Servant

Hey-yea
Oh uh oh uh oh
Uuuh-oh (Uuuh-oh)
She can see, with her hands
Through the bedroom door
Jasmin tea, left to stand
On the wonden floor
And the mess on the bed
Is the mess in my head
I can walk in your mind
I can leap into your mind
I can walk in your mind
I can sleep inside your mind
Anytime
When she's out, with her friends
I'll turn off all the lights
And I watch the motorway
Shining in the night
You say more when you sleep
Then when you, you try to speak
I can walk in your mind
I can leap into your mind
I can walk in your mind
I can sleep inside your mind
Anytime
I believe in science
But there are things that do not make sense
Why do I keep doin'
All the things I know make you tense
I believe in science
But I can't feel my head
Oh why do I keep doin'
Things that make ya tense?
I can walk in your mind
I can leap into your mind
I can walk in your mind
I can sleep inside your mind
So here I walk into,
Into your mind

So here I walk into,
Into your mind
So here I walk into,
Into your mind
Anytime
Anytime
Anytime
