## Kite

## **Pothead**

Come up and be a kite Beelzebub is aching in my belly-oh My feet are heavy and I'm rooting in my wellios And I wanna get away and go From all these mirror windows I look at eye level, it isn't good enough And then I find it out, when I take a good look up There's a hole in the sky with a big eyeball Calling me Come up and be a kite And fly a diamond night A diamond kite, a diamond kite Ooh, what a diamond A diamond kite, on a diamond flight Over the lights, under the moon Over the lights, under the moon Over the moon, over the moon Come up and be a kite

I feel a rush along my body like a bullet I'm 2D, after a push and pull feelin' And I wanna get back to safe home I love the homeland dome I got no limbs, I'm like a feather on the wind I'm not sure if I wanna be up here at all And I'd like to be back on the ground But I don't know how to get down, down, down Come up and be a kite And fly a diamond night A diamond kite, a diamond kite Ooh, what a diamond A diamond kite, on a diamond flight Over the lights, ooh, under the moon Over the lights, ooh, under the moon Over the moon, over the moon Come up and be a kite Come up and be a kite
