Rocket to the Moon

Culture Beat

I know it's never too late but I don't want a debate
I look away and then I don't want to see you again
I got so mad about it
Didn't want to fight about it
The end was hard so thanks
But here we are again

I owe you nothing so I will send you straight away with a rocket to the moon
I owe you nothing so I'm gonna shoot you all the way with a rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon

We thought that we got it made
But love has turned into hate
I hear you say that we have never been best of friends
I got so sad about it
Didn't want to know about it
How could I fall for you but now I make a stand

I owe you nothing so I will send you straight away with a rocket to the moon
I owe you nothing so I'm gonna shoot you all the way with a rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon

I owe you nothing so I will send you straight away with a rocket to the moon
I owe you nothing so I'm gonna shoot you all the way with a rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon
Rocket to the moon
