

What's going on

Oxymoron

More shitty venues shooting from the ground
while the cool places all are closing down
subculture wiped out systematically
but we not gone if you drive us away Anger rising, how surprising...[Chorus:]
What the fuck is going on here
Where to go, say, where to go ?
You scared us off but we still out there
What up, man ?
What the fuck is going on here
Where to go, say, where to go ?
This scheme of yours ain getting nowhere
What up anyway ? Punkrock banned, "skins don get in here" ...
It getting hard to set up gigs somewhere
Our cities dying through the council hand
where once we went to now there fallow land Tidy nation operation Your townscape suffers from the likes of us
Did you expect us to be off so fast ?
You can take away our clubs and tear them down
but you ain rid of us ? we still in town... You gonna get your fucking doors kicked in
