

Bearded Lady (Between Earth And Sky)

The Colour

You cast your charms into the blue
Oh, their broken arms opened for you
Circus creatures they march to their own tune
Bearded lady she'll understand youHey, no, hey, hey, what's left to hang on to?
Hey, no, hey, hey, what's left to hang on to?
Is all that's leftSink your ships into the deep
Oh, there's a mermaid lips ever so sweet
Serpent gardens, no place for the poor boy
Siren tides in, washed up with no shoreHey, no, hey, hey, what's left to hang on to?
Hey, no, hey, hey, what's left to hang on to?
Hey, no, hey, hey, what's left to hang on to?
Is all that's left
