

Relate To Me (feat. Brian Wurschum)

[Jack Johnson](#)

Oh, the night's so young
It's been so long since I had any fun
I don't know what's wrong
I just wanna play another song
When the seasons change, leaves will still be blowing through my brain
Can you feel your heart ache? Do you
relate to me?
In an empty home, the man inside it never feels alone
'Cause when he holds the light he knows there's nothing that he has to fight
Can you feel your heart ache? Do
you relate to me?
