Start Again

Bishop Allen

Summer, summer and the sun is settin' later than late
I try to stop you but you say it isn't worth the wait
If I could give away the keys to the kingdom I would
I'm sorry, sorry but I think you may have misunderstoodIf you wanna burn it down
If you wanna start again
If you wanna turn around then go ahead
If you wanna go alone
If you wanna see it through
If you really need to know I'm tellin' youI could tell it was too late to take it back
Play the song or the credits, let it fade to black
Out of script, out of time and the scene is done
Call a car, call a friend if you can call anyoneIf you wanna burn it down
If you wanna start again
If you wanna turn around then go ahead
If you wanna go alone
If you wanna see it through
If you really need to know I'm tellin' you, I'm tellin' youIf we never meet again
If we only seem to lose
If you had to turn it in, what would you choose?
If we have a chance tonight
If you wanna wait to see
If you wanna get it right, what's stoppin' me?If you wanna burn it down
If you wanna start again
If you wanna turn around then go ahead
If you wanna go alone
If you wanna see it through
If you really need to know I'm tellin' you, I'm tellin' you
