

When the Dawn Breaks (Cicada Remix)

Narcotic Thrust

Moonlight's kissing on a violet shore
Dreaming in the color of the dress you wore
I wake up harmed and wanting more about you
(About you) I don't wanna feel love
I don't wanna feel naked
I don't wanna feel love
Without you When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing Rushing over me
Rushing over me
Rushing over me
Rushing over me When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking The figures stop moving and the subway dies
The clock stops ticking and the traffic sighs
I can't keep living these strange goodbyes
I need you
(I need you) I don't wanna feel love
I don't wanna feel naked
I don't wanna feel love
Without you When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing Rushing over me
Rushing over me
Rushing over me
Rushing over me When the dawn breaks
When the dawn breaks When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking When the dawn breaks

I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushingRushing over me
Rushing over me
Rushing over me
Rushing over meRushing over me
Rushing over me
Rushing over me
