

Wild Is The Wind

Esperanza Spalding

Love me, love me
Love me, say you do
Let me fly away with you
For my love is like the windWild is the windGive me more than one chorus
Satisfy this hungriness
For we're creatures of the wind
And wild is the windWild is the windYou touch me
I hear the sound of mandolins
When you kiss me
With your kiss my life beginsYou cling to me
All things to me
Don't you know your life it's soLike a leaf clings to a tree
So my darling cling to me
Let my love flow through you
Wild as the windWild as the wind
As the wind
Wilder than the wind my love is
Wild as the windLet my heart love you, oh, oh
As the wind
Wild as the windWild creature of the wind
Love me wild again
The wind
