

Side O' the Road

Creedence Clearwater Revival

Last night
I saw a fire burning on
The palace lawn.
O'er the land
The humble subjects watched in mixed
Emotion.[Chorus:]
Who is burnin'?
Who is burnin'?
Effigy.
Who is burnin'?
Who is burnin'?
Effigy.Last night
I saw the fire spreadin' toThe palace door.
Silent majority
Weren't keepin' quiet
Anymore.[Chorus]Last night
I saw the fire spreadin' to
The country side.
In the mornin'
Few were left to watch
The ashes die.[Chorus]Why?
Why?
Why?
Effigy.
