once I'm determined I've got tons of intuition your mama says I'm stubborn she's not used to strong ambition, forgiving you might take as long as a year or a million day, but at least i can stand up look you in the eyes and say
i wanna be celebrity if it'll make u sad and when u turn on that tv you'll see the girl you could of hadif you'll say girl I'm sorry cut me slack well ill say no way in hell will i take you back (chorus)
its really a foolproof remedy, just wait till i become, a celebrity
