

Truckdrivin Neighbors Downstairs (Yellow Sweat)

Beck

Come on motherfucker put your clothes on come on
You lousy puke
Fuck you
Why dont you call your mommy?
Youre a fucking drunk
Yeah Im a fucking drunk
Come on motherfucker
But youre a lousy low life who cant do nothin for himself Acid casualty with a repossessed car
Vietnam vet playin air guitar
Its just the shit kickin, speed takin
Truck drivin neighbors downstairs Whiskey stained, buck toothed backwoods creep
Grizzly bear motherfucker never goes to sleep
Its just the shit kickin speed takin
Truck drivin neighbors downstairs Belly floppin naked in a pool of yellow sweat
Screamin "Jackass" with a wet cigarette
Its just the shit kickin, speed takin
Truck drivin neighbors downstairs
Oh my goodness Psychotic breakdown double edged axe
Growin hair like a shag rug on her greasy back
Its just the shit kickin, speed takin
Truck drivin neighbors downstairs
Oh my goodness Come on honey feel the grease
Grease, grease
Come on honey feel the grease
Oh my goodness
Come on honey feel the grease
