

Who Do You Love

Whitney Houston

Who do you love, do you love, love, love?

Who do you love, do you love?

I've got a feeling you're the boy for me

I bet your love could set me free

I feel a love thing coming on

It started weak then got, oh, so strong

Strong enough to rock the world

Straight up, I want to be your girl

So I keep praying to the stars above

That it's me who you're gonna love

Am I the one?

Is she the one?

Who do you love?

Who do you love?

I wanna know

Could it be me?

Won't you tell me so?

Who do you love?

You've got to say

Don't want to go

Why can't I stay?

I keep pushing so you'll be mine

We'll be loving, baby, overtime

My sensitivity gets so high

It keeps me dreaming that you're my guy

Then I have to stop and check myself

Could it be that you love someone else?

I can't give in to jealousy

So touch me now if you love me

Am I the one?

Is she the one?

Who do you love?

Am I the one?

Is she the one?

Who do you love?

Am I the one?

Is she the one?

Who do you love?

Am I the one?

Is she the one?
Who do you love?
Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
Who do you love?
You've got to say
Don't want to go
Why can't I stay?
Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
Who do you love?
You've got to say
Don't want to go
Why can't I stay?
Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
Who do you love?
You've got to say
I don't want to go
Why can't I stay?
Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
Who do you love?
You've got to say
I don't want to go
Why can't I stay?
Who do you love?
I wanna know
Could it be me?
Won't you tell me so?
