

# Watercolour (DJ Hero 2 Mix)

## Pendulum

When I'm falling down  
Will you pick me up again?  
When I'm too far gone  
Dead in the eyes of my friends Will you take me out of here?  
When I'm staring down the barrel  
When I'm blinded by the lights  
When I can not see your face  
Take me out of here  
Take me out of here  
Take me out of here  
Take me out of here All I believe and all I've known  
Are being taken from me back at home  
Yeah do your worst, when worlds collide  
Let their fear collapse, bring no surprise Take me out of here Feed the fire  
Break your vision  
Throw your fists up  
Come on with me  
Come on with me  
Come on with me  
Come on with me Just stay where you are  
Let your fear subside  
Just stay where you are  
If there's nothing to hide Feed the fire  
Break your vision  
Throw your fists up  
Come on with me  
Come on with me
