Tidal Wave

Nicotine

When I'm alone/I see the ghosts/
They are lost/No place to stay/
The wind blows to turn off the light
of the fire from the torch/
Turn on the radio/I hear the voice of stereo/
It sounds like a metronome
keeps striking on and on/
Hello, baby!/Where did you go?/
My life had changed since you left/
Hello, baby!/I wanna go/
You're gone one summer day with tidal waveWhen I'm alone/I see the ghosts/
They are lost/No place to stay/The
wind blows to turn off the light
of the fire from the torch/
Turn on the radio/I hear the voice of stereo/
It sounds like a metronome
keeps striking on and on/
Hello, baby!/Where did you go?/
My life had changed since you left/
Hello, baby!/I see the ghosts/
They try to take me there/I can not help
yelling at the door/The bell is ringing in my head/
I feel the fire from the sky/
The wind across my faceTidal Wave (You took all away)
Tidal Wave (You never show your smile. No way)
Tidal Wave (Why don't you give it back to me?)
