

# Moses (Live In Sydney)

## Coldplay

Come on now, don't you want to see  
This thing that's happening to me  
Like Moses had power over sea  
So you've got a power over me  
Come on now, don't you want to know  
You're a refuge, somewhere I can go  
And you're air that, air that I can breathe  
You're my golden opportunity  
And oh, oh yes I would  
If I only could  
And you know I would  
And baby I, oh baby I  
Come on now, don't you want to see  
Just what a difference you've made in me  
And I'll be waiting no matter what you say  
And I'll keep waiting for days and days and days  
And oh, oh yes I would  
If I only could  
And you know I would  
And baby I, oh baby I  
I wish, I wish  
If the sky's gonna fall down, let it fall on me  
If you're gonna break down, you can break on me  
If the sky's gonna fall down, let it fall on me  
Oh Lord, let it fall on me
