Your Wedding Day

Jimmy Buckley

The first time I saw you I loved you with all of my heart
The first time I held you I knew someday we would part
Next Saturday morning in church I'll give you away
In my eyes happy tears I can't hide on your wedding dayIt's hard to imagine, a baby so tiny and small
Is now a young lady of beauty, so pretty and tall
I know you'll look lovely, in your wedding dress and bouquet
When you walk down the aisle with your husband, on your wedding dayYour mother she nursed you through many a' heartache and pain
And if you were to ask her she'd do it all over again
She's watched you grow into the woman that you are today
She's so happy and proud of her daughter on her wedding day
It's hard to imagine, a baby so tiny and small
Is now a young lady of beauty, so pretty and tall
I know you'll look lovely, in your wedding dress and bouquet
When you walk down the aisle with your husband, on your wedding dayThe man you will marry I'll be proud to call him my son
He's your partner in life you have chosen above everyone
I know that he loves you and cares for you everyday
Like your mother and I cared for you in the very same way
It's hard to imagine, a baby so tiny and small
Is now a young lady of beauty, so pretty and tall
I know you'll look lovely, in your wedding dress and bouquet
When you walk down the aisle with your husband, on your wedding day
