# Elysium

## Portishead

No one has said what the truth should be
And no one decided that I'd feel this way
If you felt as I, would you betray yourself?
But you can't deny, how I feel
And you can't decide for me
No one should fear what they cannot see
And no one's to blame, it's just hypocrisy
It's written in your eyes and how I despise myself?
But you can't deny, how I feel
And you can't decide for me
And it's your heart that's so wrong mistaken
You'll never know, your feathered sacred self
But you can't deny, how I feel
And you can't decide for me
And you can't deny, how I feel
And why should you decide for me
