

# My Romance

[Lee Wiley](#)

My romance doesn't have to have a moon in the sky  
My romance doesn't need a blue lagoon standing by  
    No month of may, no twinkling stars  
    No hide away, no softly guitars  
My romance doesn't need a castle rising in Spain  
    Nor a dance to a constantly surprising refrain  
Wide awake I can make my most fantastic dreams come true  
    My romance doesn't need a thing but you
