Happier

Marshmello & Bastille

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happierWhen the morning comes
When we see what we've become
In the cold light of day we're a flame in the wind
Not the fire that we've begun
Every argument, every word we can't take back
'Cause with all that has happened
I think that we both know the way that the story endsThen only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to leave
Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happierWhen the evening falls
And I'm left there with my thoughts
And the image of you being with someone else
Well, it's eating me up inside
But we ran our course, we pretended we're okay
Now if we jump together at least we can swing
Far away from the wreck we madeThen only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to leave
Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happierSo I'll go, I'll go
I will go, go, go
So I'll go, I'll go
I will go, go, goLately, I've been, I've been thinking
I want you to be happier, I want you to be happier
Even though I might not like this
I think that you'll be happier, I want you to be happierThen only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits

I want to see you smile but
Know that means I'll have to leaveKnow that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happierSo I'll go, I'll go
I will go, go, go
