Time Out

Emma Forman

Please slow down you're trying too hard
Pushing me too far
Don't rush into love cos I'm not ready for thatSo damn beautiful but so messed up
You're heading to be hurtI'm not sure how strong I am
I'm not sure how much more I can take
I'm not sure how strong I am
I'm not sure how much more I can takePlease hold on, pause for moment take some time out to think
Please hold on, pause for moment take some time out to thinkSo complicated there is a lot to figure out
Stop pushing for more
take some time out to find out what you want
if it is me for sureI'm not sure how strong I am
I'm not sure how much more I can take
I'm not sure how strong I am
I'm not sure how much more I can takePlease hold on, pause for moment take some time out to think
Please hold on, pause for moment take some time out to thinkTake some time out, to figure it all out
Take some time out, to be sure
