We Are Young (Feat. Janelle MonÃfÂ;e)

Fun

Give me a second I,

I need to get my story straight

My friends are in the bathroom

Getting higher than the Empire State

My lover she's waiting for me

Just across the bar

My seat's been taken by some sunglasses

Asking about a scar and...I know I gave it to you months ago

I know you're trying to forget

But between the drinks and suddle things

The holes in my apologies

You know, I'm trying hard to take it backSo if by the time the bar closes

And you feel like falling down

I'll carry you ho-o-omeTonight,

We are young;

So let's set the world on fire,

we can burn brighter,

Than the sunTonight

We are young

So let's set the world on fire

We can burn brighter,

Than the sun

Now I know that I'm not

All that you got

I guess that I

I just thought maybe we could find new ways to fall apart

But our friends are back

So let's raise a cup

Cause I found someone to carry me homeTonight

We are young

So let's the set the world on fire

We can burn brighter

Than the sunTonight

We are young

So let's set the world on fire

We can burn brighter

Than the sunCarry me home tonight

Just carry me home tonight

Carry me home tonight

So will someone come and carry me home tonight (nananananana)

The angels never arrived (nananananananan)

But I can hear the choir (nanannanananan)

So will someone come and carry me home (anananaa)Tonight

We are young

So let's set the world on fire

We can burn brighter

Than the sunTonight

We are young

So let's set the world on fire

We can burn brighter

Than the sunSo, if by the time

the bar closes,

and you feel like falling down,

i'll carry you home, Tonight.....
