Trouble

Hazen Street

So now that you're lying face down in the concrete
It seems to me that, you didn't understand these streets
No respect for me
Well you should think before you speak
I ain't even gonna try to lie, you see
I really don't like to start fights
But I guess sometimes, I gotta be the bad guy
Thats whyNo matter where we go
Everybody says we start trouble, not true
It's just everywhere we go trouble seems to find me, I know
Everywhere we go they say we're violent I knowSo I'm out with the crew on a Saturday night
Trying to live down the stereotype
Just friends and fame having fun tonight
Drink a brew with Hips and Mike, we're alright
Here they come knocking again
Shameless warriors of the weekend
It's the same old story with the same old end
Now you on the floor, sleeping againNo matter where we go
Everybody says we start trouble, not true
It's just everywhere we go trouble seems to find me, I know
(I know everywhere we go)
Everywhere we go they say we're violent I know
(Everywhere, everywhere we go)So I see you're feeling uptight tonight, don't do it
And you're looking at me like you want to fight, don't do it
Because DMS is in the house tonight, so don't
No please not tonight, no, no please no not tonight, come onMother fuckers wanna try and play aroundNo matter where we go
They wanna fuck around with me and you, so true
Fuck you, whatcha gonna do?Everywhere we go trouble seems to find me, I know
(I know everywhere we go)
Everywhere we go they say we're violent, I know
(Everywhere, everywhere we go)Everywhere we go trouble seems to find me, I know
(I know everywhere we go)
Everywhere we go they say we're violent, I know
(What can I do now?)Everywhere we go trouble seems to find me, I know
(I know everywhere we go)
Everywhere we go they say we're violent, I know
(Everywhere, everywhere we go)Everywhere we go trouble seems to find me, I know
(I know everywhere we go)

Everywhere we go they say we're violent, I know
(Everywhere, everywhere we go)
