

# Them Changes

## Ledisi

I went away for the weekend  
I sat back and started thinkin'  
And when it came to mind  
I began to smile 'cause it's so true  
It's so true Thing never stay,  
The way I want them to be  
When I was younger back then, it was simplicity  
People care too much, but like the seasons; it all has changed  
I wish it wouldn't be that way Can't bring back what used to be  
Life don't stay the same  
Thinkin' 'bout used to be  
Everything changes  
(Life always changes)  
Everything changes, changes There was a time when I gave up on people  
Disappointment just led me to be alone  
Then one day I was told  
To just stand on my own,  
And it's so true  
It's so true  
Just forgive no regrets  
Go on and live and forget it  
You can't go back again  
Learn to leave in the present  
Learn from your mistakes  
Like the seasons it all has changed  
Oh, everything must change Can't bring back what used to be  
Life don't stay the same  
Thinkin' 'bout used to be  
Everything changes  
(Life always changes)  
Everything changes, changes Oh it's time to heal  
Time to love  
Time to let go and time to move on  
It's alright to laugh  
It's alright to cry  
It's alright to be and choose life  
(Mmmm hm) Can't bring back what used to be  
Life don't stay the same  
Thinkin' 'bout used to be

Everything changes  
(Life always changes)  
Everything changes, changes Can't bring back what used to be  
Life don't stay the same  
Thinkin' 'bout used to be  
Everything changes  
(Life always changes)  
Everything changes, changes Can't bring back what used to be  
Life don't stay the same  
Thinkin' 'bout used to be  
Everything changes  
(Life always changes)  
Everything changes, changes
