

All Or Nothin'

[Nikki Lane](#)

Hear my cry, Momma, hear what I say
Cause I'm reaching out and I sure hope you can help me
Jesus Christ, well he'd wash away my pain
So I've been spending all my time just bathing in the rain. You will be held accountable for
All or nothin'
Hard as you may, you cannot ignore
All or nothin' People say, honey, people do
And there's a difference between the two
We know what's right and we know what is wrong
But it all runs together before too long And you will be held accountable for
All or nothin'
Hard as you may, you cannot ignore
All or nothin'
You can give me the world, but I'll ask for more
Cause it's all or nothin' The day will come and you'll be forced to choose
And you're going to have everything to lose
But you'll take a path that'll lead you home
Soon enough, darlin', it'll all be gone And you will be held accountable for
All or nothin'
Hard as you may, you cannot ignore,
All or nothin'
You can give me the world, but I'll ask for more
All or nothin'
