

Move On (Live @ Sirius Radio)

Jet

Well, I've been thinking 'bout the future
But too young to pretend
It's such a waste to always look behind you
You should be lookin' straight ahead Yeah, I'm gonna have to move on
Before we meet again
Yeah, it's hard
If you had've only seen At 10:34, Flinders Street station
I'm lookin' down the tracks
Uniformed man askin', am I paid up
Why would I wanna be that? Yeah, I'm gonna have to move on
Before we meet again
Yeah, it's hard
If you had've only seen
Take control
And don't be afraid of me 'Cause every once in a while
You think about if you're gonna get yourself together
You should be happy just to be alive
And just because you just don't feel like comin' home
Don't mean that you'll never arrive Yeah, I'm gonna have to move on
Before we meet again
Yeah, it's hard
If you had've only seen
Take control
And don't be afraid of me
