# All the Pain

## Superheaven

My mind is heavy. Thoughts unclear.
Came down crashing. Spirits weaken.
I'm not ready to let all of this cave in.
Fix my body, I can't move I feel helpless to you
See in your eyes. You're suffering left me speechless.
Left feeling bent. Can you stay with me?
Don't lay low. Or float above. A new sun will come.
All the pain that you've been through.
Take it away, what ails you.
