

Mr Johnson

Jain

Oh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightOh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightEveryday he dreams to walk

Away from these office doors

Everyday he dreams for more

He dreams for a change to come

It's hard to find a way

In the middle of a crowd

It's always hard to say

If our doubts are wrong or rightOh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightOh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightEveryday he feels the same

Feels the same, a little pain

When he looks up in the sky

When his dreams are flying far

That's how he realises

He has to make a change

He won't let any man now

Accross his rights to lifeOh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightOh

Mr Johnson let's get out

Mr Johnson let's get free

Mr Johnson let's get wild

Before the nightHe runs to get out

He rushes to get out
He wanna up in the sun warming his mind
He'd better watch out, not gonna burn
Up finding his way, flying awayHe runs to get out

He rushes to get out
He wanna up in the sun warming his mind
He'd better watch out, not gonna burn
Up finding his way, flying awayOh

Mr Johnson let's get out
Mr Johnson let's get free
Mr Johnson let's get wild
Before the nightOh

Mr Johnson let's get out
Mr Johnson let's get free
Mr Johnson let's get wild
Before the nightOh

Mr Johnson let's get out
Mr Johnson let's get free
Mr Johnson let's get wild
Before the nightOh

Mr Johnson let's get out
Mr Johnson let's get free
Mr Johnson let's get wild
Before the night
