Follow The Hollow

Soilwork

I fought the forces that will bring me down
They crawl without a sound
They wake me up at night, kill the lights, make it right
No time for slumber I'm getting dumber every sigh,
Every time I'm standing tall, every time I rise and fallI think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find.Wee out the sun, under the gun
Kneel down for the ricochet
My future tells no lies to a creature with o rights
As for the plans I have in mind I have nothing left to find
Please show a sign, who's next in line?I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied faith fucked believer
I claim you'll never find a better fear[Chorus]
Take a look, take a ride, stay by my side
Don't dare to think-let's follow the hollow
It kills your pride to be alive
Please step a side, cause I follow the hollow!We head for hell and we do it well, come eat the dust
Cause it's all a dirty lie that chokes the skyI think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find a better fear[Chorus]I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied faith fucked believer
I claim you'll never find a better fear[Chorus]
