

Show Business (Live Australia 1975).

AC/DC

You learn to sing
You learn to play
Why don't the businessmen
Ever learn to pay That's show business [(Show business)]
Show business [(Show business)]
Show business
That's the way it goes You play in halls
Play in bars
You're climbin' walls
Chasin' stars That's show business [(Show business)]
Show business [(Show business)]
Show business
That's the way it goes
You pay the man
You pay your dues
When it's all gone, ooh
You sing the blues Show business [(Show business)]
Baby that's show business [(Show business)]
Show business
That's the way it goes You wanna roll
You wanna rock
You find it hard
If your guitar's in hock That's show business [(Show business)]
Show business [(Show business)]
Show business
That's the way it goes
You're smoking butts
They smoke cigars
You're drown in debt
They drown in bars That's show business [(Show business)]
Show business [(Show business)]
Show business
That's the way it goes You pull a chick
Take her home
No use, man
You're worn out to the bone
That's show business [(Show business)]
Show business [(Show business)]
Show business

That's the way it goes
That's show business, show business
That's show business, show business
Show business
That's the way it goes
Know what I mean?
