

Tristeza

Forever Slave

In this time remember me
I miss your hands on my skin
Don't you remember me?
Promises and lost dreams
Two spirits come to me
My death, I could see it
Don't control my Tristeza
give me my life, again
This sorrow is infinite
I don't want this world
My life is illusion for me
This time brings me fear
I saw blood in the ground
These wounds don't die
Two spirits come to me
my life was dark
That night of winter
a new world was born
Don't control my Tristeza
give me my life, again
This sorrow is infinite
I don't want this world
