Dream Fantasy (English Version)

Loudness

The night comes down on the streets of this town
Darkness is king, no shadows fall over me
I come alive with the night, you can't tie me down
It's my fantasy, it's my daydream* Thousands of women standing on the streets
Each one is calling me, "Come to me," oh yeah!
I search the city streats, one girl is all I need
She's my fantasy, She's my daydream** Wooh no, dream fantasy
Under the spell of a foxy girl
Wooh yeah, dream fantasy, steal away!
Dream on, dream on, steal away!
Dream on, steal away!*** She sells dreams in the heat of the night
My heat is victim to the game she plays
She won't tease me
I know she'll never leave me
Dreams come true
She's the world to me... fantasy
