

In Front of Me

LiveSoul

Why can't I see what's in front of me?

I see the doors that I can't open
Adding locks from time to time

When it opens, something blocks me

And I'm asking myself why
Did I take the step I wanted
Was it just a state of mind?

I feel sorry for myself
every time I close my eyes.

And I fall into a hole
and I can take no more (x4)

Why can't I see what's in front of me?

What's behind the door I wonder
Must be brighter than my past
Will I feel a little different

When i take myself across
Was it really worth the turning?

Was it just a foolish task
I feel sorry for myself
when i open up my eyes...

and I fall into a hole
and I can take no more.

bring it up bring it up (9x)

CHANGE THE FORMALITY

I try to change the formality and everything about it

people killing people for a reason .

you make mistakes

you don't regret so make conclusion
